AmGov Christine Barbour 2019-02-12 All the fundamentals. No fluff. Learn more with less! A truly revolutionary American Government textbook, Christine Barbour's AmGov: Long Story Short, responds to the needs of today's students and instructors through brevity and accessibility. The succinct ten chapters are separated by tabs that make it easy to skim, flip, revisit, reorient, and return to content quickly. Reading aids like bullets, annotations and arrows walk students through important facts and break up the material in short, engaging bites of information that highlight not only what is important but why it's important. Though brief, this core book is still robust enough to provide everything that students need to be successful in their American Government course. Whether for the on-the-go student who doesn't have time to read and digest a lengthy chapter, or the instructor who wants a book that will stay out of their way and leave room for plenty of supplementary reading and activities, AmGov provides a perfectly simplified foundation for a successful American Government course.

The Highlanders Felix M'Donogh 2017-07-20 Nineteenth Century Collections Online: European Literature, 1790-1840: The Corvey Collection includes the full-text of more than 9,500 English, French and German titles. The collection is sourced from the remarkable library of Victor Amadeus, whose Castle Corvey collection was one of the most spectacular discoveries of the late 1970s. The Corvey Collection comprises one of the most important collections of Romantic era writing in existence anywhere -- including fiction, short prose, dramatic works, poetry, and more -- with a focus on especially difficult-to-find works by lesser-known, historically neglected writers. The Corvey library was built during the last half of the 19th century by Victor and his wife Elise, both bibliophiles with varied interests. The collection thus contains everything from novels and short stories to belles lettres and more populist works, and includes many exceedingly rare works not available in any other collection from the period. These invaluable, sometimes previously unknown works are of particular interest to scholars and researchers. European Literature, 1790-1840: The Corvey Collection includes: * Novels and Gothic Novels * Short Stories * Belles-Lettres * Short Prose Forms * Dramatic Works * Poetry * Anthologies * And more Selected with the guidance of an international team of expert advisors, these primary sources are invaluable for a wide range of academic disciplines and areas of study, providing never before possible research opportunities for one of the most studied historical periods. Cengage Advantage Books: Cultural Anthropology: A Problem-Based Approach Richard H. Robbins 2016-02-16 In a first-of-its kind problem-based format, CULTURAL ANTHROPOLOGY: A PROBLEM-BASED APPROACH, 7th Edition, presents a variety of questions focused on the most important issues anthropologists study. You'll think critically about today's world as you read engaging chapter openers, complete integrated exercises, and review unique case studies in Doing Anthropology at the end of each chapter. Within this brief text's engaging narrative, you'll learn how to analyze your own culture as a basis for understanding the

cultures of others. Presentations are organized around problems rather than topics, creating a natural discussion of traditional concerns such as kinship, caste, gender roles, and religion. Meaningful questions integrated throughout further guide you in exploring these subjects. Lexus - The challenge to create the finest automobile Brian Long

2016-09-05 In a bold bid to enter the prestigious luxury car market, Toyota launched its Lexus marque in 1989 with the LS400. Impeccable attention to detail, advanced engineering, sourcing of first quality materials from around the world and meticulous build quality ensured that cars wearing the Lexus badge could compete directly with the established products of Mercedes-Benz, BMW and Jaguar. Motoring journalists around the world were quick to confirm the inherent quality of the Lexus, allowing the new marque to become established amazingly quickly and to make serious inroads into the sales territories of other prestige brands. This book covers the complete year-by-year development of the Lexus line, including the equivalent models in Japan. Written by an acknowledged Toyota expert with the full co-operation of the company and its many subsidiaries worldwide, this is the definitive history of the marque.

Scrappy Terri L. Sjodin 2016 For those times when hard work and persistence just aren't enough, Terri Sjodin offers an inspiring guide to getting scrappy and beating the odds. Terri Sjodin loves scrappy people -- those who beat the odds with a blend of cleverness and fighting spirit. People who see big problems and come up with big solutions. People like the clever Girl Scout who sold 117 boxes of cookies in two hours outside a medical marijuana dispensary, or the entrepreneur who turned his home into an indoor jungle to sell investors on the Rainforest Cafe Restaurant chain. It can seem like these successes are just one-off acts of ingenuity or isolated flashes of brilliance. But today it takes more than just creativity, more than just persistence, more than just a dream to reach big goals -- it takes a mindset and a strategy. Sjodin explains the common elements behind every successful scrappy effort.

Lexus Chester Dawson 2011-06-03 A behind-the-scenes look at Lexus's surprising twenty-year success story—in a revised new edition In the 1980s, German brands BMW and Mercedes-Benz dominated the luxury car market and had little reason to fear competition from Japan. But in 1989, Toyota entered the market with the Lexus LS 400, a car that could compete with the Germans in every category but price—it was US\$30,000 cheaper. Within two years, Lexus had overtaken Mercedes-Benz in the United States and made a stunning success of Toyota's brave foray into the global luxury market. Lexus: The Relentless Pursuit reveals why Toyota decided to take on the German automakers and how the new brand won praise and success for its unparalleled quality, unforgettable advertising, and unprecedented customer service. From the first boardroom planning session to Lexus's entry into the mega-luxury supercar market, this is the complete and compelling story of one of the world's most admired brands. Includes a new Foreword by legendary designer Erwin Lui, an Afterword with updates since the first edition, and a new Coda by leading Japanese automotive journalist Hisao Inoue Covers the racetrack triumph—and tragedy—behind the new US\$375,000 Lexus LFA supercar Offers important business lessons for brand managers and executives For car enthusiasts, business leaders, and anyone interested in branding and marketing, Lexus: The Relentless Pursuit offers an amazing story of excellence and innovation in the automotive industry.

Devious Agendas 2020-06-15 In this fast-paced suspense-thriller, a streetwise police chief, a struggling triage nurse and a lovesick government operative try to unravel a twisted mystery involving blackmail, murder and terrorism. A group of schemers and their homicidal cohorts converge in Philadelphia with different but intertwined agendas. Their plans all coincide with the opening of The Pharaoh's Consort exhibit at the Independence Museum of Art and Science. Investigating a break-in at the museum, the newly appointed police chief's interest turns to the mysterious people and occurrences swirling around the exhibit. The beautiful curator sets her sights on the police chief, while celebrating the demise of her terrorist lover. An emergency room nurse is drawn into the schemers' world. Tempted by a dying patient's last meal, she becomes the target of a monstrous ex-soldier and a chemist with a penchant for poison. In the volatile mix, a bespectacled government operative suspects he might be working for the wrong side. The hard-boiled action moves from glittery high-society parties to the bleakest corners of the city and violently proves that some gatherings, no matter how enticing, should be avoided.
