**Keep The Stars** Magan Vernon 2016  
The stars aligned and I've promised myself to Ace forever. Now we can move on with the next steps of our lives, together. But life has a way of getting in the way of keeping things simple  
My new roommate has a dangerous link to my past. One I can't even tell her about. And the one person who I thought was my biggest confidante is now pulling away. I thought my life was coming together. Now I have to figure out if I can keep everything from falling apart. \*\*This book was formerly titled How to Mary an Alien and the third book in the Alien Romance series. The cover and synopsis have changed but the content is the same. This book is geared more

toward Upper YA readers and does contain the discussion or marriage equality and gay marriage themes that were hinted at in the first two books. There is also a little more heat in this one, but nothing that would keep one out of the kitchen.\*\*

*Culture and the Condom*

William F Pinar 2005

In the last decade of the twentieth century, the «safe sex» message - advocating the use of condoms to prevent pregnancy and curb the spread of AIDS and other sexually transmitted diseases - has endured relentless attacks by conservative religious groups who seek to instill doubt and promote an abstinence-only theme in American public schools. The essays in this book provide a stimulating historical and cultural inquiry into the multiplicity of meanings attributed to one prophylactic: the condom. Given the vast array of sexual attitudes toward condom usage within American culture and around the world,

Culture and the Condom will provoke readers into examining significant dominant discourses and alternative perspectives by viewing condoms through the lens of cinematic and television imagery, artistic representations, statistical analyses, commercial advertising, and animation.

**Teaching the Core Skills of Listening and Speaking** Erik Palmer 2014-04-01 With the Common Core State Standards emphasizing listening and speaking across the curriculum, these long-neglected language arts are regaining a place in schools. For teachers, this means reexamining practices and rethinking expectations. How much do we know about teaching listening and speaking as the complex communication skills they are? How do we teach students to discuss appropriately, integrate and understand the mountains of information they receive, and express themselves clearly and effectively? In this lively and practical book, 20-year teaching veteran Erik Palmer presents an approach aligned

to the six Common Core anchor standards for speaking and listening but focused on preparing students for 21st century communication inside and beyond the classroom. Here, you'll get concrete guidance for teaching and assessing \* Collaborative discussion \* Listening and media literacy \* Questioning and reasoning \* Speech presentation \* Effective multimedia use \* Adapting speech to different content and tasks With due respect to reading and writing, we do most of our communicating--in the classroom and in life--through listening and speaking. Filled with examples and specific activities targeted to variety of subjects and grade levels, this book is an essential resource for all teachers interested in helping students acquire core skills that cross the content areas and support long-term success.

*Creating Communication* Randy Fujishin 2008-07-29 This book shows how to create communication that will improve personal relationships,

Teaching on Borrowed Time

Laurence C. Schwartz  
2022-02-16 In Teaching on Borrowed Time: An Adjunct's Memoir, Laurence C. Schwartz guides the reader through his thirty-plus years of teaching part-time as an adjunct lecturer on the university circuit. Always unpredictable and never dull, Schwartz's journey will take him to twenty different colleges and to twenty-three different subjects. The swirling range of topics Schwartz has discussed in his classes include Aristotle, social media, the Reverend Dr. Martin Luther King, Charles Manson, feminism, Charlie Chaplin, Mel Brooks, opera, the Grateful Dead, Playboy magazine, Nathan's Famous Hot Dogs, and many others. At one point, Schwartz teaches the art of hieroglyphics to five-year-olds at the Summer Institute for

the Gifted. Ever the outsider, Schwartz chronicles the highs, lows, and in-betweens of teaching at public universities, private universities, four-year colleges, community colleges, sectarian colleges, a New York City high school, inner-city campuses, suburban campuses, and elite New England private academies. In addition to his consistently precarious livelihood as an adjunct, Schwartz directs, writes, and acts in the New York theater scene. Given that 65 percent of the nation's undergraduate faculty consists of adjuncts, who have uncertain job security, *Teaching on Borrowed Time* gives voice to the adjunct community as well as those who stubbornly forge ahead in their professional quests for the sheer joy of the work.

### **Public Speaking Handbook for Librarians and Information Professionals**

Sarah R. Statz 2010-07-27 Now more than ever, librarians need good communication skills. They are no longer unseen collectors, classifiers, and cultural guardians. Information

professionals are doing more public speaking at conferences, in meetings, classes, book talks and countless other situations, but many of them dislike, even fear, the thought of getting up in front of a group of people and giving a presentation. Librarians and other information professionals can find in this work help in overcoming their hesitation. Part one offers basic principles for better speech preparation and delivery, discussing such topics as the importance of good listening skills to being a good speaker, doing the necessary research beforehand, applying organizational skills to a presentation, engaging an audience, practicing a presentation before actually giving it, and putting oneself at ease, among others. Part Two discusses the specific situations in which librarians often have to communicate, including interviews, interpersonal communication, library instruction, meetings and presentations to large groups. *Public Speaking: The Evolving Art* Stephanie J.
