Comprehending as well as contract even more than supplementary will have enough money each success. bordering to, the pronouncement as skillfully as perspicacity of this Big Fraid Little Fraid A Folktale Retold can be taken as without difficulty as picked to act.

**Even This I Get to Experience** Norman Lear 2015-10-27 Norman Lear is the renowned creator of such iconic television programs as All in the Family, Maude, and The Jeffersons. He remade our television culture from the ground up, and in Even This I Get To Experience, he opens up about the ups and downs of his three marriages, tells

stories about time spent with Jerry Lewis and Dean Martin and offers a thrilling new look at the golden age of show business. He tells of life growing up in the Great Depression right through to his father's imprisonment and his own eventual affluence. Endlessly readable and unforgettable.

**Eastern Standard Tribe** Cory Doctorow  
2005-04-01 From Cory Doctorow, a powerful  
and funny novel about time, tribalism, and a  
young man's dismaying discoveries about  
his own life Scathing, bitter and funny,  
Eastern Standard Tribe examines the  
immutable truths of time, and of societies  
rebuilt in the storm of instant, ubiquitous  
communication. Art is an up-and-coming  
interface designer, working on the  
management of data flow along the  
Massachusetts Turnpike. He's doing the best  
work of his career and can guarantee that  
the system will be, without a question, the  
most counterintuitive, user-hostile piece of  
software ever pushed forth onto the world.  
Why? Because Art is an industrial saboteur.

He may live in London and work for an EU  
telecommunications megacorp, but Art's  
real home is the Eastern Standard Tribe.  
Instant wireless communication puts  
everyone in touch with everyone else, 24  
hours a day. But one thing hasn't changed:  
the need for sleep. The world is slowly  
splintering into Tribes held together by a  
common time zone, less than family and  
more than nations. Art is working to  
humiliate the Greenwich Mean Tribe to the  
benefit of his own people. But in a world  
without boundaries, nothing can be taken  
for granted-not happiness, not money, and  
most certainly not love. Which might explain  
why Art finds himself stranded on the roof of  
an insane asylum outside Boston, debating  
whether to push a pencil into his brain.... At  
the Publisher's request, this title is being  
sold without Digital Rights Management  
Software (DRM) applied.

**The Silent One** Joy Cowley 2001-02-08 The *Silent One* is Jonasi, sent from the sea as a baby to grow up in an isolated Pacific village. Separated from the villagers by his

silence and their prejudices, Jonasi finds solace in his underwater world where he develops a special relationship with a huge white turtle. However, the superstitious villagers see both Jonasi and the turtle as evil spirits. A series of natural disasters and a struggle for leadership within the village sweep Jonasi toward his strange destiny.

*The Robe* Lloyd C. Douglas 2021-01-01 One of the best-selling titles of the 1940s, 'The Robe' is a historical novel written by Lloyd C. Douglas. The book is about the Crucifixion of Jesus. It was first published in the year 1942. All of Lloyd C. Douglas' novels, essays, and short stories relied on his spiritual background for thematic and creative inspiration. At the height of his popularity, Douglas was receiving on average 100 letters a week from fans. One of these letters provided the inspiration for 'The Robe'.

King Coal Upton Sinclair 1917 Much like *The Jungle*, *King Coal* is a novel about the abismal working conditions of coal miners. It

is loosely based on the 1914 Colorado coal strikes. It is typical of his critical novels by being told from the perspective of the little guy and a struggling union. *King Coal* offers plenty for historians of early labor unions or those who just enjoy a story about the underdog.

**The Mermaid of Black Conch** Monique Roffey 2022-07-12 WINNER OF THE COSTA BOOK OF THE YEAR AWARD • This enchanting tale of a cursed mythical creature and the lonely fisherman who falls in love with her is "a daring, mesmerizing novel ... single-handedly bringing magic realism up-to-date (Maggie O'Farrell, best-selling author of *Hamnet*). In 1976, David is fishing off the island of Black Conch when he comes upon a creature he doesn't expect: a mermaid by the name of Aycayia. Once a beautiful young woman, she was cursed by jealous wives to live in this form for the rest of her days. But after the mermaid is caught

by American tourists, David rescues and hides her away in his home, finding that, once out of the water, she begins to transform back into a woman. Now David must work to win Aycayia's trust while she relearns what it is to be human, navigating not only her new body but also her relationship with others on the island—a difficult task after centuries of loneliness. As David and Aycayia grow to love each other, they juggle both the joys and the dangers of life on shore. But a lingering question remains: Will the former mermaid be able to escape her curse? Taking on many points of view, this mythical adventure tells the story of one woman's return to land, her healing, and her survival.

*South from Hell-fer-Sartin* Leonard W.

Roberts 2014-10-17 *South from Hell-fer-Sartin*, a short creek flowing into the Middle

Fork of the Kentucky River, lies one of the of the most isolated regions in Kentucky. There, on the north slope of the Pine Mountain range in Leslie and Perry counties -- probably the last stronghold of white, English-language folk tales in North America -- Leonard W. Roberts recorded this rich collection more than three decades ago. To a people who, at that time, watched dancing hearth fires more often than television, the adventures of Jack in the land of witches and giants, monsters and beautiful princesses, provided first-class entertainment. Here are such old favorites as "Sleeping Beauty" and "The Golden Arm," retold in the idiom of the Kentucky mountains. Here are hauntingly beautiful cantes fables and earthy Irishman jokes. Here are encounters with Indians and marvelous hunting escapades. Roberts introduces his collection, first published in 1955, with a sympathetic description of the

mountain way of life. He notes especially the bewildering and rapid changes that came to the Pine Mountain watershed in that decade as the highways and electric lines at last brought in a sophistication that preferred the soap opera to the folk tale. Although the stories Roberts recorded were still a firm part of folk tradition at the time, he believed that within a decade or two they would be forgotten -- a prediction, sadly, by now no doubt fulfilled. Any lover of the vanishing art of tale telling will relish this rich treasury of folklore and humor. Full notes on sources, types, motifs, parallels, and possible origins of the tales make this collection valuable also for folklorists.

The Thing at the Foot of the Bed and Other Scary Tales Maria Leach 2016-05-10 A noted folklorist spins a tapestry of spooky yarns involving haunted houses, ghostly visitations, and other chilling vignettes. Moody black-and-white drawings

complement the stories, which range from humorous to eerie.

American Folktales: From the Collections of the Library of Congress Carl Lindahl

2015-03-17 This two-volume collection of folktales represents some of the finest examples of American oral tradition. Drawn from the largest archive of American folk culture, the American Folklife Center at the Library of Congress, this set comprises magic tales, legends, jokes, tall tales and personal narratives, many of which have never been transcribed before, much less published, in a sweeping survey. Eminent folklorist and award-winning author Carl Lindahl selected and transcribed over 200 recording sessions - many from the 1920s and 1930s - that span the 20th century, including recent material drawn from the September 11 Project. Included in this varied collection are over 200 tales organized in chapters by storyteller, tale

type or region, and representing diverse American cultures, from Appalachia and the Midwest to Native American and Latino traditions. Each chapter begins by discussing the storytellers and their oral traditions before presenting and introducing each tale, making this collection accessible to high school students, general readers or scholars.

**American Folktales** Carl Lindahl 2004  
Publisher's description: This two-volume collection of folktales represents some of the finest examples of American oral tradition. Drawn from the largest archive of American folk culture, The American Folklife Center at the Library of Congress, the first-of-its-kind set includes magic tales, legends, jokes, tall tales, and personal narratives -- over 200 in all, many of which have never been previously transcribed or published. Eminent folklorist and award-winning author

Carl Lindahl selected and transcribed over 200 recording sessions -- many from the 1920s and 1930s -- that span the twentieth century, including recent material drawn from the September 11th project. This varied collection is organized in chapters by storyteller, tale type, or region, representing diverse American cultures from Appalachia and the Midwest to Native American and Latino traditions. Each chapter begins by discussing the storytellers and their oral traditions, and then introduces and presents each tale, so that the collection is equally accessible to high school students, general readers, or scholars. Multiple indexes further aid in locating tales by motif and tale type, storyteller, and geographical origin.
