Smoke Your Firefighter Interview Paul S. Lepore 2008-01-01 With this book you will gain insight into the crucial part of the exam- the interview. While it is important for a candidate to focus on the written and physical ability parts of the exam, the interview often accounts for up to 100% of a candidate's overall score. Lepore has proctored hundreds of entry-level and promotional interviews. He shares his unique ability to see the interview through the eyes of the rater. This book is presented in a question-answer format. It provides the candidate with a strong foundation on how to answer over 100 of the questions most commonly asked by fire departments across the country, and provides the rationale as to why the answer is correct. Answers to common situational questions deal with: moral issues, legal issues, violations of policies and procedures, ethical dilemmas, societal obligations, interpersonal conflicts. This updated book includes additional questions and answers.

Clinical Practice Guidelines for Midwifery & Women's Health Nell Tharpe 2006 This text presents a compilation of current practices that includes evidence-based, traditional, and empiric care from a wide variety of sources. Each Guideline moves through problem identification and treatment using a standardized format for day-to-day clinical practice with diverse populations. The Guidelines are currently in use by many practices as a way of meeting the American College of Nurse Midwives (ACNM) recommendations, and are acceptable for collaborative practice with physician colleagues.

Bangkok Express James Newman 2010-04-27 Bangkok Express is an often hilarious, always dangerous, fast moving tale of the tricks and turns in an exotic land where what meets the eye often fools, if not confuses, the observer. Joe leaves behind a life of commuter trains, a messy divorce, and an egotistical boss to undertake an assignment that changes his life forever. For Joe, Thailand is a private investigator's hardest challenge. A land where women, drink and drugs come with no warning attached and nothing is what it seems. Can Joe untangle a web of corruption and lies and write the report that the "suits" want to see? Or is there something else on offer, something that will bring more happiness than that of a "job well done"? Bangkok Express is a beautifully bizarre, exotic novel that will leave the reader feeling like they just stepped off a fast moving train in the world's most exciting city.

Study Guide for Essentials of Fire Fighting IFSTA 2008-01-01

Building Construction Related to the Fire Service Ifsta 2012-12-01 This textbook matches the course outline and objectives identified by the National Fire Academy's Fire and Emergency Services Higher Education (FESHE) committee for the

Building Construction for Fire Protection core course. This new 3rd edition provides the reader with basic instruction about how buildings are designed and constructed and how this relates to emergency operations. In addition to basic construction principles, a new emphasis is placed on firefighter safety, newer types of construction that may be difficult to identify, and green construction principles. This edition is illustrated with new drawings and photos, case histories that emphasize real-life safety principles, key terms, and review questions. Fire inspectors, preincident planners, fireground commanders, investigators, and firefighters will all find useful and valuable information in this new edition.

Fundamentals of Fire Fighter Skills David Schottke 2014

The Nine Lives of Ichiban Stephen Chensue 2016-09-01 This endearing tale is a unique work of historical fiction for cat lovers. It follows the life of a Japanese farm boy named Isao, who befriends a remarkable cat. Together, they experience Japan's transformative Meiji period. The journey begins in the peaceful farmlands at the foot of Mount Fuji, and then takes the reader through upheavals of war and cultural revolution. Isao comes to know great adventure, great love and great loss. Like Japan, he is transformed, his life taking a new turn with each of the nine incarnations of his dear companion.

Exam Prep: Fire Inspector I & II is written by fire personnel explicitly for fire personnel, and all content has been verified with the latest reference materials and by a technical review committee. Your exam performance will improve after using this system!

Fire and Emergency Services Company Officer IFSTA 2014-11-14 This new IFSTA manual details the training required of Company Officers according to NFPA® 1021, Standard for Fire Officer Professional Qualifications, 2014 Edition. The manual is divided into two sections to make a clear distinction between the information needed for Fire Officer Level I and Fire Officer Level II. Both print and eBook formats are available. There is no shortage of issues that a company officer might face in the everyday operation of a fire company or unit. This manual addresses the wide range of topics and issues encountered by a company officer, from leadership and supervision to health and safety issues. Great attention was given to focus on the job performance requirements of NFPA® 1021. The fifth edition of Fire and Emergency Services Company Officer builds on the previous edition of the manual while presenting the material in a more concise manner to make it easier for students to read and instructors to teach. By merging related topics, the number of chapters was reduced from 32 in the fourth edition to 17 in the new manual while preserving the material related to the NFPA® standard. The number of appendices was reduced from 20 to 4 by removing information that can be found in other media. Along with reducing the volume of material from the fourth edition, the fifth edition of Fire and Emergency Services Company Officer offers several new features. The manual features a new look with IFSTA's single-column format and upgraded and updated curriculum components. Learning activities are included to help instructors present the material to their students. Case Histories open each chapter to illustrate important lessons learned in the real world. Photographs, illustrations, and tables are included throughout the manual to illustrate key points and improve the overall instructional value of the material.

Fire Officer 2010-08-19 The National Fire Protection Association (NFPA) And The International Association Of Fire Chiefs (IAFC) Are Pleased To Bring You The Second Edition Of Fire Officer: Principles And Practice, A Modern Integrated Teaching And Learning System For The Fire Officer I And II Levels. Alexander McGillivray and the Creek Confederacy R. Michael Pryor 2010-08-10 Ethnicity, economics, and warfare! These were the factors that shaped the southern backcountry during the eighteenth century. Alexander McGillivray was by far one of the most influential Native American leaders from the Revolutionary and Federalist era. He became a central figure in the territorial struggles for commerce, sovereignty, and identity in what is now the southeastern region of the United States. In order to defend the borders of the Creek Confederacy McGillivray used an amazing mixture of political shrewdness, economic monopolization, and diplomatic finesse. During his relatively brief life of forty-three years he was commissioned as a British officer, a Spanish colonel, and an American brigadier general. However, throughout all of these seemingly conflicting positions he maintained an unyielding support for the Creek Indians and their right to exist as a people.
