They suggest that the value derived
from BPM is far greater than the
financial figure attached to its
worth, because it enables a firm to
work cohesively and address holistic
issues that no other business tool is
currently capable of providing. It is
therefore quite surprising that the
use of BPM is regarded as being quite
low.

GUIDELINES ON FIRST-AID IN THE WORKPLACE - DOSH

life of an injured or ill worker or
member of the public within the
vicinity of the workplace may depend
on proper first-aid being given
within the first few minutes of an
accident or an illness. Besides
saving lives, first-aid treatment is
important in preventing further
complications from injury and pain
and in promoting recovery.
