Free to Be Rev Don Bloch Ph.D. 2022-03-04 The message of the Bible is basically a call to freedom, an idea supported by numerous scriptures. Freedom is where God desires us. Although He calls us to be free to work as kingdom builders, Free to Be also calls us to become even closer to Him. This Christian study explores the possibilities of how we can set ourselves free from long-term bondage with the help of Jesus. Intended both for those ministering to others dealing with past wounds and for those still struggling with the journey toward self-worth and value of self and others. It addresses barriers that may prevent you from reaching for freedom and provides a road map to help you get around those obstacles. God's call upon our lives is to live in freedom with Him and with our neighbors. There are many steps to this freedom, but God's Word claims through the atoning sacrifice of His only Son, Jesus our Messiah, that we are free of our sinful nature. And if we have the Son, we are free indeed! Uplifting and personal, this study and testimony encourages you to embrace God's call to freedom by drawing closer to Him.

In Need of Your Prayers and Patience Mary Lou Shea 2015-07-14 The Church of the Nazarene embraces American attachments to democratic rule, individual initiative, efficiency, and a strong sense of responsibility as "a city on a hill." It is also present in more than 150 world areas. These attributes are reflected in the astounding story of one of the founders of the denomination, H. F. Reynolds, who has been long hidden in the shadow of his early colleague, Phineas Bresee. While the church points to Bresee as its founding father, Reynolds lived and served for an additional two decades following Bresee's death, shaping the role of the General Superintendency, clarifying and expanding the church's Manual to meet the needs of the growing denomination, and establishing mission policies and practices that took it from a US church to a global presence. Reynolds maintained a lively devotion to Christ as he survived train wrecks, war, dread disease, and the sheer volume of meetings, correspondence, and explosive scandal that came with the nurturing of a new church. His vision and methods have profoundly influenced a denomination that does not know his name. This volume is designed to make the introduction.

The Little Book of Prayers David Schiller 2013-09-10 The perfect gift for seekers, the curious, and the spiritually hungry, *The Little Book of Prayers* now has a stunning new cover and a more prayer book-like format. Gathered from holy books and prayer books, from songs and spirituals, spoken traditions and poets, it is an unexpectedly approachable collection of common and uncommon prayers from around the world. The entries, one per page or spread, are chosen for their depth of feeling, beauty of expression, spiritual intensity, and sense of the universal. The book is organized into broad categories of praise, entreaty, contemplation, mourning, and grace; and two indexes—one by authorship, and the other by topic—make it immediately accessible. There are familiar prayers, like the Lord's Prayer and 23rd Psalm, which, placed in new context, shine with a renewed beauty and wisdom. You'll find prayers unfamiliar to many in the West, such as the "Opener" from the Koran or the four vows of the Bodhisattva, chanted every evening in Zen monasteries around the world. And the surprising—from the "Prayer of the Unknown Confederate Soldier" to the blues of Lightnin' Hopkins to the poetry of Rumi. God help us to live slowly: To move simply: To look softly: To allow emptiness: To let the heart create for us. Amen. —Michael Leunig You, whose day it is, make it beautiful. Get out your rainbow colors, so it will be beautiful. —Nootka Song

Faith Ed Linda K. Wertheimer 2016-08-23 An intimate cross-country look at the new debate over religion in the public schools A suburban Boston school unwittingly started a firestorm of controversy over a sixth-grade field trip. The class was visiting a mosque to learn about world religions when a handful of boys, unnoticed by their teachers, joined the line of worshippers and acted out the motions of the Muslim call to prayer. A video of the prayer went viral with the title "Wellesley, Massachusetts Public School Students Learn to Pray to Allah." Charges flew that the school exposed the children to Muslims who intended to convert American schoolchildren. Wellesley school officials defended the course, but also acknowledged the delicate dance teachers must perform when dealing with religion in the classroom. Courts long ago banned public school teachers from preaching of any kind. But the question remains: How much should schools

teach about the world's religions? Answering that question in recent decades has pitted schools against their communities. Veteran education journalist Linda K. Wertheimer spent months with that class, and traveled to other communities around the nation, listening to voices on all sides of the controversy, including those of clergy, teachers, children, and parents who are Muslim, Jewish, Christian, Sikh, or atheist. In Lumberton, Texas, nearly a hundred people filled a school-board meeting to protest a teacher's dress-up exercise that allowed freshman girls to try on a burka as part of a lesson on Islam. In Wichita, Kansas, a Messianic Jewish family's opposition to a bulletin-board display about Islam in an elementary school led to such upheaval that the school had to hire extra security. Across the country, parents have requested that their children be excused from lessons on Hinduism and Judaism out of fear they will shy away from their own faiths. But in Modesto, a city in the heart of California's Bible Belt, teachers have avoided problems since 2000, when the school system began requiring all high school freshmen to take a world religions course. Students receive comprehensive lessons on the three major world religions, as well as on Sikhism, Hinduism, Buddhism, and often Shintoism, Taoism, and Confucianism. One Pentecostal Christian girl, terrified by "idols," including a six-inch gold Buddha, learned to be comfortable with other students' beliefs. Wertheimer's fascinating investigation, which includes a return to her rural Ohio school, which once ran weekly Christian Bible classes, reveals a public education system struggling to find the right path forward and offers a promising roadmap for raising a new generation of religiously literate Americans.

A House of Prayer for All Peoples Sheryl A. Kujawa-Holbrook 2002-12-31 Contrary to the oft-repeated truism, there are churches in America where Sunday is not the "most segregated day of the week," as Sheryl Kujawa-Holbrook convincingly demonstrates in her compelling exploration of congregations tackling racial justice issues. Yet the truism continues to haunt many congregations, and Kujawa-Holbrook reveals, through story and thoughtful analysis, what it means to create and live out multiracial community. Focusing on six congregations from different denominations, geographical regions, and settings, the author shows us the joys and struggles in their intentional pursuits of a more diverse and just community. The stories in *A House of Prayer for All Peoples* will inspire leaders to explore their congregation's history, study their community's demographics, and, most of all, search their souls for ways they can develop and celebrate the diversity in their midst. The book is capped by an extensive annotated resource list for readers who want to explore the topic further.

Just in Time! Pastoral Prayers in Public Places F. Belton Joyner Jr. 2010-09-01 Part of a pastor's role in the community is to pray publicly. The pastor is often the official "pray-er" at all kinds of community events--the high school football game, the opening of the new grocery store, the county school board meeting, kindergarten graduation--to name a few. But the pastor must also pray knowing that there are believers (of many persuasions) and non-believers present. This book will contain sample prayers for many civic functions that can be used with little modification. Belton Joyner is a retired United Methodist pastor and author of *Being Methodist in the Bible Belt: A Theological Survival Guide for Youth, Parents, and Other Confused Methodists*

Praying for Emily Tom Whitehead 2020-10-06 Discover the incredible true story of Emily Whitehead, the first child to receive CAR-T cell treatment for her leukemia -- and learn how her family's faith journey guided them in the fight for her life. When their five-year-old daughter was diagnosed with leukemia, Tom and Kari Whitehead's world was shattered. They vowed to do whatever it took to help their daughter, and as they made decisions about how to best treat her, Tom found his faith coming to him in "whispers," guiding his decisions and keeping his hope alive, while Kari placed great faith in science and the doctors surrounding her little girl. But as Emily's condition continued to worsen, they both prayed for a miracle. Then, their miracle arrived, in the form of an experimental treatment called CAR-T cell therapy that, against all odds, saved Emily's life. Because of Emily's miraculous recovery, this treatment is now used widely to treat cancer and has gone on to save hundreds of lives and promises to help thousands more. For all the acclaim and attention this important new approach to treating cancer has received, few know the full story of all it took to make this miracle happen. In *Praying for Emily*, the Whiteheads share their story, recounting the belief, resilience, and support that got them through the most difficult time of their lives.

School Prayers United States. Congress. House. Committee on the Judiciary 1964

Justified by Her Children Roy G Pollina 2021-04-20 In May of 1958, Virginia newspapers were reporting that the Christ Church, Martinsville, Virginia congregational leadership had declared that their bishop's plan to integrate the summer youth camp "is both illegal and ill-advised" and that they would oppose any "intermingling of the races." Amid this controversy, a quiet revolution stirred among that congregation's young people, uplifted by their youthful, energetic priest, The Reverend Philip Gresham. When these brave young people stood with their bishop in favor of an integrated youth camp their opinion was derided as youthful naïveté. It was suggested that they focus on their studies and leave such problems to the adults. Rather than discouraging them, their church leadership's humiliating dismissal inspired them to devise a more tangible expression of their position. They would acquire and present a gift, a "peace offering", as a token of their solidarity with their bishop. Racism will not be finally eradicated by one large divisive victory. The wall of racism will be undone brick by brick by the brave deeds of little known men, women, and young people doing the right thing. Justified by Her Children: Small Deeds of Courage Confronting a Tradition of Racism reminds us that evil often masquerades as the accepted way of doing things - and that confronting evil is often seen as opposing the good order of society. Justified by Her Children is written in the hope that readers will gain a better understanding of "how it was," and from that understanding, know better how to deal with "how it is" today. In easy to read, clear and concise terms, Justified navigates the tradition of racism from the Virginia colonial enslavers to the Massive Resistance of Virginia segregationist of the 1950s. Justified by Her Children is ultimately a story of grace and forgiveness, but not before it wends its way through the trial and execution of the African American "Martinsville Seven," past the whispers about the sexual orientation of the young, single priest, and a congregation in conflict over letting its white children eat a box supper with black children at a church mission event to benefit hungry brown children. Unless and until you understand "how it was" when racism was legally and culturally accepted then you will not understand how it is that white privilege still exists or why Black Lives Matter.
