𑂔𑂔 𑂔𑂔𑂔𑂔 𑂔𑂔𑂔𑂔𑂔𑂔 Vīṇā Gavāṇakara 2008 On the life struggle of George Washington Carver, 1864-1943, an African American agriculturist.

**Wings of Fire** Avul Pakir Jainulabdeen Abdul Kalam 1999 Avul Pakir Jainulabdeen Abdul Kalam, The Son Of A Little-Educated Boat-Owner In Rameswaram, Tamil Nadu, Had An Unparalled Career As A Defence Scientist, Culminating In The Highest Civilian Award Of India, The Bharat Ratna. As Chief Of The Country`S Defence Research And Development Programme, Kalam

Demonstrated The Great Potential For Dynamism And Innovation That Existed In Seemingly Moribund Research Establishments. This Is The Story Of Kalam`S Rise From Obscurity And His Personal And Professional Struggles, As Well As The Story Of Agni, Prithvi, Akash, Trishul And Nag--Missiles That Have Become Household Names In India And That Have Raised The Nation To The Level Of A Missile Power Of International Reckoning.

**Douglas MacArthur** Janet Benge 2005 Under siege on the island of Corregidor, General Douglas MacArthur received a warning from the enemy. "You are well aware that you are doomed," the Japanese general wrote. "The end is near. The question is how long you will be able to resist. You are advised to surrender." Of course, there was no way Douglas was going to surrender. Whether masterminding strategy and fighting on the front lines to secure Allied victory in World War I and World War II or guiding war-torn nations to recovery in peacetime, five-star General Douglas MacArthur faced every challenge with unwavering courage and resolve. The general began his honored army career by leading his fellow cadets at West Point and ultimately commanded all U.S. forces in Asia. Remembered especially for directing the fight against Japanese expansion during WWII and later governing the

defeated Japanese people with grace and wisdom, General MacArthur won the respect of millions, both allies and enemies. (1880-1964). Heroes of History is a unique biography series that brings the shaping of history to life with the remarkable true stories of fascinating men and women who changed the course of history. The stories of Heroes of History are told in an engaging narrative format, where related history, geography, government, and science topics come to life and make a lasting impression. This is a premier biography line for the entire family. Pages: 224 (paperback) Ages: 10+

The Ground Between Veena Das 2014-04-21 The guiding inspiration of this book is the attraction and distance that mark the relation between anthropology and philosophy. This theme is explored through encounters between individual anthropologists and particular regions of philosophy. Several of the most basic concepts of the discipline—including notions of ethics, politics, temporality, self and other, and the nature of human life—are products of a dialogue, both implicit and explicit, between anthropology and philosophy. These philosophical undercurrents in anthropology also speak to the question of what it is to experience our being in a world marked by radical difference and otherness. In The Ground Between, twelve leading anthropologists offer intimate reflections on the influence of particular philosophers on their way of seeing the world, and on what ethnography has taught them about philosophy. Ethnographies of the mundane and the everyday raise fundamental issues that the contributors grapple with in both their lives and their thinking. With directness and honesty, they relate particular philosophers to matters such as how to respond to the suffering of the other, how concepts arise in the give and take of everyday life, and how to be attuned to the world through the senses. Their essays challenge the idea that philosophy is solely the province of professional philosophers, and suggest that certain modalities of being in the world might be construed as ways of doing philosophy.

Karna Ranjit Desai 2019-08-25 'Who am I?' It was a question that had troubled him all his life. His whole life had seemed entangled in the answer. His dignity, his destination, his ambitions -- they all seemed linked to that entanglement. The irony was that the truth, instead of liberating him, had made him rudderless. In the Mahabharata, Karna is known to be the only warrior who could match Arjuna. Born of a god and a mother who abandons him at birth, Karna is mistreated from birth. Rejected by Drona, taunted by Draupadi, insulted by his blood brothers, misunderstood by many and manipulated even by the gods, Karna is the classic tragic hero. In his novel Radheya, Ranjit Desai, the author of Marathi classics like Shriman Yogi and Swami, gives voice to the angst and loneliness of Karna. Translated into English for the first time, the novel brings to surface the many sides to Karna's character: his compassionate nature, his hurt and hubris, the love for his wife, his allegiance to Duryodhana, and his complicated relationship with Krishna.

I'll Wait For You Till The Eternity Rihan khalyani 2020-08-01 The love story which starts in early 90s, mainly revolves around three characters Aamir, Shikha and Samaira. Aamir an MBA graduate resides in Delhi. He was separated from his girlfriend Shikha during the Lucknow riots three years ago. Aamir has been living a depressed and a stressful life for the past three years. His best friend Bhaskar insists him to see a psychologist. Aamir decides to consult a psychologist named Samaira who is also a friend of Bhaskar. On the other side his mother wants him to get married and settle down in life. She is unaware about his affair with Shikha. Aamir shares his past with Samaira during his counselling sessions. After spending a lot of time with Aamir, Samaira also

starts feeling strongly for him. She starts leaning towards him. Samaira also try to convince him to move on before sharing her feelings with him, but Aamir stays adamant on his decision and continues his search for Shikha. Aamir's quest for Shikha guides him to beautiful Ladakh. But could Aamir find Shikha? What exactly happened during the riots that separated the true lovers? All the answers unfold in the climax of an enchanting love story.

### **The Science and Applications of Microbial Genomics**

Institute of Medicine 2013-05-02 Over the past several decades, new scientific tools and approaches for detecting microbial species have dramatically enhanced our appreciation of the diversity and abundance of the microbiota and its dynamic interactions with the environments within which these microorganisms reside. The first bacterial genome was sequenced in 1995 and took more than 13 months of work to complete. Today, a microorganism's entire genome can be sequenced in a few days. Much as our view of the cosmos was forever altered in the 17th century with the invention of the telescope, these genomic technologies, and the observations derived from them, have fundamentally transformed our appreciation of the microbial world around us. On June 12 and 13, 2012, the Institute of Medicine's (IOM's) Forum on Microbial Threats convened a public workshop in Washington, DC, to discuss the scientific tools and approaches being used for detecting and characterizing microbial species, and the roles of microbial genomics and metagenomics to better understand the culturable and unculturable microbial world around us. Through invited presentations and discussions, participants examined the use of microbial genomics to explore the diversity, evolution, and adaptation of microorganisms in a wide variety of environments; the molecular mechanisms of disease emergence and epidemiology; and the ways that genomic technologies are being applied to disease outbreak trace back and microbial surveillance. Points that were emphasized by many participants included the need to develop robust standardized sampling protocols, the

importance of having the appropriate metadata, data analysis and data management challenges, and information sharing in real time. The Science and Applications of Microbial Genomics summarizes this workshop.

*It's Not My Fault* Henry Cloud 2010-08-23 "It's Not my Fault!" It seems like just a common, no-harm-done excuse. It can even seem like the truth. But according to Drs. Henry Cloud and John Townsend, it's really a dangerous, self-destructive trap that keeps you from the life you want to live. Yet there is a way to turn the trap into a launching pad – and it's simpler than you think. Using eight principles, powerful true stories and their years of experience as professional psychologists, this best-selling author duo of *Boundaries* and other popular books will teach you the one skill you need to make empowering choices and start getting what you want out of your relationships, your career, your life. Even if you've gotten a raw deal from other people, your DNA or life's circumstances, there is always something you can do to make things better. With the transformational insights in this book, Cloud and Townsend will help you get your focus off what you cannot control and break free from the blame game that sabotages success . . . so that you really can start living the life you choose.

Published by Manjul Publishing House, this book is available in hardcover.

**Panipat** Viśvāsa Pāṭila 2019

Sardar : The Sovereign Saint Dr Dinkar Joshi 2014-01-01 Without wasting time on any further questions, Shankar dialled the telephone number of the Prime Minister's residence. Unfortunately, the Prime Minister had left for the radio station. Shankar rushed back to give the message to Sardar. Sardar impatiently said : "Shankar, leave immediately for the Radio Station. Go quickly. Try to hold back the Prime Minister's speech. By no means should the matter related to plebiscite and UNO be relayed. If this happens, the whole country will be put into a great trouble. If need be, cancel this programme. Please leave immediately." Having waded through the traffic on the way, Shankar reached finally to the radio station but he was late. The Prime Minister was reading his speech on the microphone. Shankar heard him referring to the plebiscite and UNO. The whole world was listening to it. Shankar banged his head. —Extract from this novel A biographical novel on the Iron Man of India Sardar Patel which brings to light various known-unknown facets of his inspiring life. His contribution and efforts for the unification of princely states laid the foundation for a sovereign Bharat. A must read book for every true Indian.

Social and Sustainability Marketing Jishnu Bhattacharyya 2021-09-26 "... an important intervention in the conversation around social and ecological sustainability that draws on both micromarketing and macromarketing scholarship to help the reader understand the challenges with illustrations from insightful cases both from emerging and developed economies. This compilation should be essential reading for the discerning student of sustainable consumption and production." -- Professor Pierre McDonagh, Associate Editor, Journal of Macromarketing (USA); Professor of Critical Marketing & Society, University of Bath, UK Experts in the field of economics, management science, and particularly in the marketing domain have always been interested in and acknowledged the importance of sustaining profitable businesses while incorporating societal and environmental

concerns; however, the level of existing literature and availability of teaching cases reflect a dearth of real case studies, especially those focused on marketing for social good. This book of actual case studies will address that need. In addition, this book is important and timely in providing a case book for instructors (those in both industry and academia) to help them in teaching and training the next generation of leaders through corporate training and universities. Currently, marketing for social good is increasingly becoming a part of most curriculums under the umbrella of different titles, such as social marketing, green marketing, and sustainability marketing. The relevance of these studies is increasing across the globe. This book is composed of long and short real cases with varying complexity in different sectors. This case book will also cover some review articles for an overview of the recent developments in the study area. With these case studies, collections of questions, teaching materials, and real-life marketing scenarios, this book offers a unique source of knowledge to marketing professionals, students, and educators across the world. The main objective of this case book is to understand the applicability of marketing science (marketing for social good context, such as social marketing and sustainability marketing) in internet marketing related to e-buying behavior and e-WOM. In addition, it illustrates the various types of existing marketing practices that are relevant from both theoretical and practical points of view in this electronic era, as well as discussing other non-electronic marketing practices and focusing on consumer buying behavior. As a result, marketing managers can treat their customers according to their desired value. This book particularly explores the possibilities and advantages created by social marketing and sustainability marketing through the presentation of thorough review articles and case studies. This case book helps corporate training centers and universities with compact teaching reference materials in their relevant courses. *Who was Shivaji?* Govinda Pānasare 2015 Hindutva icon or secular

nationalist? Feudal potentate or peasants' king? Protector of cows and brahmins or shudra ruler? Medieval marauder or builder of an empire?//Who was Shivaji?//This punchy, readable book provides a new perspective on a popular hero of Indian history. After this, Shivaji will never be the same again.//Govind Pansare was one of Maharashtra's most prominent public intellectuals. And among the bravest. He was felled by an assassin. But his rationalist view of human history is impossible to kill. This book is testimony to the power of ideas.

The Swiss Family Robinson (Diversion Illustrated Classics) Johann David Wyss 2016-06-28 A beloved adventure classic, The Swiss Family Robinson is a tale of courage in the face of the unknown that has endured the test of time. Trapped on a remote island after a storm leaves them shipwrecked, a Swiss pastor, his wife, and their four sons must pull together if they want to survive. Hunting, farming, and exploring a strange land for the first time, each son not only tests his own bravery, but discovers a skill all his own as they each adapt to this new, wild place. Full of wonder, revelation, and invention, this timeless adventure story has sparked imaginations of readers young and old for generations. Featuring an appendix of discussion questions, this Diversion Classics edition is ideal for use in book groups and classrooms. For more classic titles like this, visit

### **Developments in Fungal Biology and Applied Mycology**

Tulasi Satyanarayana 2017-12-29 This book explores the developments in important aspects of fungi related to the environment, industrial mycology, microbiology, biotechnology, and agriculture. It discusses at length both basic and applied aspects of fungi and provides up-to-date laboratory-based data. Of the estimated three million species of fungi on Earth, according to Hawksworth and coworkers, more than 100,000 have been described to date. Many fungi produce toxins, organic acids,

antibiotics and other secondary metabolites, and are sources of useful biocatalysts such as cellulases, xylanases, proteases and pectinases, to mention a few. They can also cause diseases in animals as well as plants and many are able to break down complex organic molecules such as lignin and pollutants like xenobiotics, petroleum and polycyclic aromatic compounds. Current research on mushrooms focuses on their hypoglycemic, anti-cancer, anti-pathogenic and immunity-enhancing activities. This ready-reference resource on various aspects of fungi is intended for graduate and post-graduate students as well as researchers in life sciences, microbiology, botany, environmental sciences and biotechnology.

Sex and Culture Joseph Daniel Unwin 1934

**Golda** Elinor Burkett 2009-10-13 Golda Meir was the first female head of state in the Western world and one of the most influential women in modern history. A blend of Emma Goldman and Martin Luther King Jr. in the guise of a cookie-serving grandmother, her uncompromising devotion to shaping and defending a Jewish homeland against dogged enemies and skittish allies stunned political contemporaries and transformed Middle Eastern politics

for decades to follow. She outmaneuvered Richard Nixon and Henry Kissinger at their own game of Realpolitik, and led Israel through a bloody war even as she eloquently pleaded for peace, carrying her nation through its most perilous hours while she herself battled cancer. In this masterful biography, critically acclaimed author Elinor Burkett paints a vivid portrait of a legendary woman defined by contradictions: an iron resolve coupled with magnetic charm, a kindly demeanor that disguised a stunning hard-heartedness, and a complete dedication to her country that often overwhelmed her personal relationships.

*The Warmth of the Heart Prevents Your Body from Rusting* Marie De Hennezel 2013-09-24 A breakout bestseller in France and the U.K. and a transformative guide to growing older with confidence, courage, and even optimism How should we accept aging? It's inevitable, and yet in Western society the very subject of growing older is shrouded in anxiety and shame. Aging brings us face to face with our sacred and our mundane, our imperfections and our failures. Here internationally renowned clinical psychologist and bestselling French author Marie de Hennezel shows us how to see the later stages of life through a prism that celebrates our accomplishments and gives us fulfillment in our present. Combining personal anecdotes with psychological theory, philosophy, and eye-opening scientific research from around the world, this thought-provoking and refreshing book provides a brave and uplifting meditation on our later years as they should be lived.

**Intimate Death** Marie DeHennezel 2009-06-17 How do we learn to die? Most of us spend our lives avoiding that question, but this luminous book--a major best-seller in France--answers it with a directness and eloquence that are nothing less than transforming. As a psychologist in a hospital for the terminally ill in Paris, Marie de Hennezel has spent seven years tending to people who are relinquishing their hold on life. She tells the stories of her patients and their families. de Hennezel teaches us how to turn death--our loved ones' or our own--from something lonely and agonizing into a sacred passage. She discusses the importance of an honest reckoning, the value of ritual, the necessity of touch. In imparting

these lessons, Intimate Death becomes a guide to living more fully, more intensely, than we had thought possible. "Unique...Of all the books I have read about the endings of our lives, this elegiac testimony has taught me the most."--Sherwin B. Nuland, M.D., author of How We Die "The quiet, obvious truths [de Hennezel] discovers in her work--these things have a kind of cumulative power."--Washington Post Book World From the Trade Paperback edition.

**Idli Orchid And Will Power** Vithal Kamat 2018-11-20 The story of an entrepreneur who moved from a single, family style restaurant, to create a chain known across India. But his passion for hospitality did not stop there. Vithal Kamat had a dream to make a five star hotel. He went on to make THE ORCHID, a five-star ecotel, which won numerous awards for being the world's best environmentally sensitive hotel. The Orchids multiplied and today stand as icons of hospitality. This is the story of what went into the making of this empire. This is an inspiring story of a man willing to face any odds for his dream, armed with determination, dedication and discipline. There are moments in our lives, where we feel like giving up on our vision and aspirations. This true life story of hotelier Vithal Kamat shows that all it takes to make it, is the belief in your dreams and the conviction to see them through.

**I Am a Troll** Swati Chaturvedi 2016 Indian social media is awash with right-wing trolls who incite online communal tension and abuse anyone who questions them. But who are they? How are they organized? In this explosive investigation, conducted over two years, Swati Chaturvedi finally lifts the veil over this murky

subject

**Savarkar** Vikram Sampath 2019-08-16 As the intellectual fountainhead of the ideology of Hindutva, which is in political ascendancy in India today, Vinayak Damodar Savarkar is undoubtedly one of the most contentious political thinkers and leaders of the twentieth century. Accounts of his eventful and stormy life have oscillated from eulogizing hagiographies to disparaging demonization. The truth, as always, lies somewhere in between and has unfortunately never been brought to light. Savarkar and his ideology stood as one of the strongest and most virulent opponents of Gandhi, his pacifist philosophy and the Indian National Congress. An alleged atheist and a staunch rationalist who opposed orthodox Hindu beliefs, encouraged inter-caste marriage and dining, and dismissed cow worship as mere superstition, Savarkar was, arguably, the most vocal political voice for the Hindu community through the entire course of India's freedom struggle. From the heady days of revolution and generating international support for the cause of India's freedom as a law student in London, Savarkar found himself arrested, unfairly tried for sedition, transported and incarcerated at the Cellular Jail, in the Andamans, for over a decade, where he underwent unimaginable torture. From being an optimistic advocate of Hindu-Muslim unity in his treatise on the 1857 War of Independence, what was it that transformed him in the Cellular Jail to a proponent of 'Hindutva', which viewed Muslims with suspicion? Drawing from a vast range of original archival documents across India and abroad, this biography in two parts--the first focusing on the years leading up to his incarceration and eventual release from the Kalapani--puts Savarkar, his life and philosophy in a new perspective and looks at the man with all his achievements and failings.

*Achieve More, Succeed Faster* Deepak Bajaj Learn how Direct Selling has empowered millions of people to enjoy the 31 essential elements for a good life. This book is full of ideas, skills, tools and

*The Invisible Man (a Father Brown Story)* G. K. Chesterton 2016-07-03 In the cool blue twilight of two steep streets in Camden Town, the shop at the corner, a confectioner's, glowed like the butt of a cigar. One should rather say, perhaps, like the butt of a firework, for the light was of many colours and some complexity, broken up by many mirrors and dancing on many gilt and gaily-coloured cakes and sweetmeats.

Taai Medha Kirit 2022-07-15 An inspiring success story of a senior activist who has done justice for five years to the parliamentary affairs of the largest democratic country like India, the challenges facing the supreme leader of the Lok Sabha and the vast scope of power. Senior woman MP who was unanimously elected as the Speaker of Lok Sabha after becoming MP from Indore for eight times in a row. With her gentle nature and balanced demeanor, she made everyone her adorer and dear while conducting the

business of the house smoothly. Internationally honoured by 'Mothers of Speakers'. A multi-dimensional graph of Padma Bhushan Sumitra Taai Mahajan's peak years as Lok Sabha Speaker.

*Beloved Delhi* Saif Mahmood 2018-09-10 'A riveting resurrection of the city of poets, the city of history, Saif Mahmood's learned and evocative book takes us to the heart of Delhi's romance with Urdu verse and aesthetics.'--Namita Gokhale Urdu poetry rules the cultural and emotional landscape of India--especially northern India and much of the Deccan--and of Pakistan. And it was in the great, ancient city of Delhi that Urdu grew to become one of the world's most beautiful languages. Through the 18th and 19th centuries, while the Mughal Empire was in decline, Delhi became the capital of a parallel kingdom--the kingdom of Urdu poetry--producing some of the greatest, most popular poets of all time. They wrote about the pleasure and pain of love, about the splendour of God and the villainy of preachers, about the seductions of wine, and about Delhi, their beloved home. This treasure of a book documents the life and work of the finest classical Urdu poets: Sauda, Dard, Mir, Ghalib, Momin, Zafar, Zauq and Daagh. Through their biographies and poetry--including their best-known ghazals--it also paints a compelling portrait of Mughal Delhi. This is a book for anyone who has ever been touched by Urdu or Delhi, by poetry or romance.
