However, systematically assembled data across countries on the education/training and structure of the early years workforce are limited. Who works in education and care settings for young children? What professional studies are required? How similar or how varied are the qualification profiles and fields of work? This book provides answers to these questions. With funding from the German Federal Ministry for Family Affairs, Senior Citizens, Women and Youth, the SEEPRO project based at the State Institute of Early Childhood Research (IFP) in Munich/Bavaria worked closely with country experts to develop the 27 country profiles. In addition, cross-national perspectives and key workforce issues are highlighted which will be of interest for those engaged in early years professional education/training as well as for researchers, practitioners and policy makers. *Vengeance is Mine, All Others Pay Cash* Eka Kurniawan 2017-07-31 Thrilling...an engrossing, emotionally ranking speed-read...original and sure-footed.' Big Issue [UK] Told in short, cinematic bursts, Vengeance Is Mine, All Others Pay Cash is gloriously pulpy. Ajo Kawir, a lower-class Javanese teenage boy excited about sex, likes to spy on fellow villagers in flagrante, but one night he ends up witnessing the savage rape of a beautiful crazy woman. Deeply traumatised, he becomes impotent, turns to fighting as a way to vent his frustrations. Vengeance Is Mine, All Others Pay Cash shows Eka Kurniawan in a gritty, comic, pungent mode that fans of Quentin Tarantino will appreciate. But even with its liberal peppering of fights, high-speed car chases, and ladies heaving with desire, the novel continues to explore Kurniawan’s familiar themes of female agency in a violent and corrupt male world. Eka Kurniawan was born in 1975 and is the author of novels, short stories, essays, movie scripts, and graphic novels. He has been described by the Jakarta Post as ‘one of the few influential writers in Indonesia.’ His first novel to be translated into English, Beauty Is a Wound, was released in 2015. ‘An unusual and provocative novel...A page turner, and well worth your attention.’ AU Review [Kurniawan] habitually drives his narratives between the extreme poles of the cross and the sublime, the tragic and the comedic, the surreal and the real.’ South China Morning Post ‘It’s funny, engaging, and touching.’ Village Voice ‘I believe the phrase is “page-turner”’ Words Without Borders ‘Kurniawan gives the reader an original plot while managing to include a good helping of black humour, plenty of irony, corruption and a man who talks to his penis (which occasionally answers him)...Funny and a bit crazy.’ BookMooch ‘Eka Kurniawan’s English-language debut, Beauty Is a Wound, was released to much acclaim in 2015, introducing the Indonesian writer to a whole new audience. Told in short, cinematic bursts, his follow-up is gloriously pulpy as it continues to explore familiar themes of female agency in a violent and corrupt male world. Kurniawan is not for the faint-hearted, but his gritty, comic style will definitely be appreciated by fans of Quentin Tarantino.’ Readings ‘An arresting portrait of Indonesia’s struggle for nationhood, delights in obscenity: no topic is spared from its bloodthirsty brand of satire.’ New Yorker on Beauty is a Wound ‘Beauty Is a Wound is an epic of a kind that could only come from the pen of an Indonesian...Kurniawan’s creative ambition and scope are traditional in some senses, but his deeply strange work is profoundly original.’ Australian on Beauty is a Wound Friends Tl the End David Wild 2005 Friends...‘Til the End is the official companion to one of the world’s most popular sitcoms ever and includes exclusive interviews with all six cast members, the complete story of all ten seasons. From Rachel’s first flee from the alter, to her final flee from a plane bound for Paris, this book brings back all the memories of the ten years fans have spent with the Friends in their homes, and in the coffee shop, and sometimes in Phoebe’s cab. **Unstoppable** Yanni Raz 2016-06-09 Unstoppable is a word defined as "difficult or impossible to preclude or stop." As a human quality, it is something that we associate with people such as sports superstars, those who do whatever it takes to inspire others and lead teams to the greatest of victories. Sometimes, an idea or person can become unstoppable. Unstoppable, like Charles Lindbergh crossing the Atlantic in a solo flight when no one had thought it was possible, or track star Roger Bannister breaking the four-minute mile barrier. Not everyone can be an explorer or a great athlete, but anyone can be unstoppable in their chosen endeavors in life. If you are willing to possess an unwavering determination to succeed and a consistent willingness to learn and evolve, you can become unstoppable and triumph too. This book is about a personal struggle, one in which the author awoke from a coma after a terrible accident and faced a life of permanent paralysis. A long battle of driven determination resulted in Yanni Raz regaining his health and becoming a self-made millionaire after migrating from his native Israel to the United States. Through careers as a musician, a Starbucks barista, a salesman, a real estate whiz, a professional poker player and a hard money lender, Yanni learned reliable principles and the skills necessary for success. Unstoppable covers many topics including controlling your life, making the best decisions, creating new opportunities, properly assessing signals, expertly negotiating, and succeeding by storytelling across the media landscape. You'll learn about integrity in business, asset diversification, and many other life tips that thousands of people learn from Yanni on a daily basis. It is time to become fearless and lead a powerful life. With Yanni's new book Unstoppable, you can do just that.

**Arya Winters and the Tiramisu of Death** Amita Murray 2021-10-26 Arya Winters is your typical cozy heroine. She lives in a cottage in a small English village, and bakes for a living - well, she specializes in macabre desserts. She has nosy neighbors, who she avoids ruthlessly due to her social anxiety. And she has a keen interest in all things sexy, especially Branwell Beam, the writer next door. When her neighbor Tobias Yards turns up dead after eating poisoned tiramisu (definitely not poisoned when she baked it), no one seems to connect it to Arya's Auntie Meera's recent death. Instead, they blame her excruciatingly average ex-boyfriend—and Tobias's neph—*and* she takes matters into her own hands. Now all she has to do to uncover the truth is to get over her aversion to Other People. Besides that, it's just a matter of getting beyond some yellow tape, dodging her former BFF Tallulah from secondary school, and getting into Branwell's pants—he seems strangely reluctant. What Arya doesn't realize is that the murderer is dangerous, preying on lonely people who've experienced trauma, and that she might have to do all she can not to become the next victim.

**Supernova** Dewi Lestari Supernova: The Knight, The Princess and the Falling Star presents a series of intertwined and unconventional love stories, straight and gay, with a bit of science and spirituality added to the mix. The major characters are young, urban, and technologically highly aware. They are caught up in major forms of contemporary social conflict. The poet Taufiq Ismail has written: "A renewal has taken place in Indonesian literature over the past decade. Supernova is an intelligent, unique and truly exciting exploration of science, spirituality and the nature of love." The literary critic Jacob Soemardjo suggests: "This is an attractive novel by a young writer. It is an intellectual work in the form of a work of pop art, set in the real world. It opposes old values with new ways of understanding, so that readers can see the world in a different way." *Motivational Strategies in the Language Classroom* Zoltan Dörnyei 2001-09-27 When trying to explain any success or failure in second language (L2) learning, the term 'motivation' is often used by teachers and students alike. Indeed, motivation is one of the key learner factors that determines the rate and success of L2 attainment: it provides the primary impetus to initiate learning the L2 and later the driving force to sustain the long learning process. Without sufficient motivation, even individuals with the most remarkable abilities cannot accomplish long-term goals. This book takes a practical approach to teaching motivational strategies in the language classroom, and gives the teacher strategies that they can use to motivate language learners.

**Bad Language** Edwin Battistella 2005-08-25 Is today's language at an all-time low? Are pronunciations like cawfee and chawklit bad English? Is slang like my bad or hook up improper? Is it incorrect to mix English and Spanish, as in Yo quiero Taco Bell? Can you write Who do you trust? rather than Whom do you trust? Linguist Edwin Battistella takes a hard look at traditional notions of bad language, arguing that they are often based in sterile conventionality. Examining grammar and style, cursing, slang, and political correctness, regional and ethnic dialects, and foreign accents and language mixing, Battistella discusses the strong feelings evoked by language variation, from objections to the pronunciation NU-cu-lar to complaints about bilingual education. He explains the natural desire for uniformity in writing and speaking and traces the association of mainstream norms to ideas about refinement, intelligence, education, character, national unity and political values. Battistella argues that none of these qualities is inherently connected to language. It is tempting but wrong, Battistella argues, to think of slang, dialects and nonstandard grammar as simply breaking the rules of good English. Instead, we should view language as made up of alternative forms of orderliness adopted by speakers depending on their purpose. Thus we can study the structure and context of nonstandard language in order to illuminate and enrich traditional forms of language, and make policy decisions based on an informed engagement. Re-examining longstanding and heated debates, Bad Language will appeal to a wide spectrum of readers engaged and interested in the debate over what constitutes proper language.

**Beyond Yamashita and Percival** Shaari Isa 2019-08-05 This novel is set against the background of the Malay Peninsula and Singapore during the Second World years of 1941 to 1945. As implied from the title, is is not merely a story about two generals, Yamashita and Percival, but also the effect of their decisions upon the lives of people who were caught in the war the British residents and the locals of diverse cultures. The novel focuses on the theme of love and war. It discusses the frailties of human emotion that led to both. It portrays the lives of the various societies there at the time before, during and after the outbreak of the war: first the British, the elite society during the colonial years with their comfortable life, quite ignorant of Japanese clandestine activities, which were to have such a profound effect on their lives soon after. Amidst all these the novel also portrays the love, illicit and otherwise that inevitably grew out the events related to the war. In addition, the novel also looks at other parts of the social environment, at the effects of the war on the local population: the Malays who saw the war as an opportunity to prepare themselves towards self-government and independence; the Chinese who looked upon the Japanese as their bitter enemies for invading their homeland, China, and who must opposed at all costs; the Indians who were indifferent to all events around them; their main concern being to earn just enough for themselves and for their families back home in India. This is a novel dominated by historical facts related to the war period interlaced with fictional events related to the life and the loves of the fictional characters during the war. It carries a message about the meaninglessness of war; that pride of the victor is just temporary and trivial but the human suffering caused by the war is unfathomable and simply unforgivable. Shaari Isa has equal love for academic and creative writings. He began his career as a teacher and subsequently became a professional accountant and a university lecturer. His writings reflects his deep concern for social order, clear thinking and human happiness. He lives in Kuala Lumpur.

The up-to-date book provides an in-depth knowledge of bio-inspired nanotechnological systems for pharmaceutical applications. Biophysics and thermodynamics, supported by mathematics, are the locomotive by which the drug transportation and the targeting processes will be achieved under the light of the modern pharmacotherapy. They are considered as scientific tools that promote the understanding of physicochemical and thermotropic functionality and behavior of artificial cell membranes and structures like nanoparticulate systems. Therefore, this book focusses on new aspects of biophysics and thermodynamics as important elements for evaluating biomedical nanosystems, and it correlates their physicochemical, biophysical and thermodynamical behaviour with those of a living organism.
