Forming Intentional Disciples Sherry A. Weddell 2015-11-30 How can we transmit a living, personal Catholic faith to future generations? By coming to know Jesus Christ, and following him as his disciples. These are times of immense challenge and immense opportunity for the Catholic Church. Consider these statistics for the United States. Only 30 percent of Americans who were raised Catholic are still practicing. Fully 10 percent of all adults in America are ex-Catholics. The number of marriages celebrated in the Church decreased dramatically, by nearly 60 percent, between 1972 and 2010. Only 60 percent of Catholics believe in a personal God. If the Church is to reverse these trends, the evangelizers must first be evangelized-in other words, Catholics-in-the-pew must make a conscious choice to know and follow Jesus before they can draw others to him. This work of discipleship lies at the heart of *Forming Intentional Disciples*, a book designed to help Church leaders, parish staff and all Catholics transform parish life from within. Drawing upon her fifteen years of experience with the Catherine of Siena Institute, Sherry Weddell leads readers through steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity, charisms, and

vocation that flow from that relationship for the sake of the Church and the world. Learn about the five thresholds of postmodern conversion, how to open a conversation about faith and belief, how to ask thought-provoking questions and establish an atmosphere of trust, when to tell the Great Story of Jesus, how to help someone respond to God's call to intentional discipleship, and much more. And be prepared for conversion because when life at the parish level changes, the life of the whole Church will change.

**The Parish in Catholic Tradition** James A. Coriden 1997 "This volume," says James Coriden in his introduction, "... allows the reader to reach an accurate understanding of the authentic nature and function of parishes within the Catholic tradition." It describes the origins of parishes and their historical evolution, offers a theology of parish as a local church, links parishes to the church's social teaching and provides a comprehensive overview of their function in Roman Catholic law and their relationship to American civil law." "In clear, nontechnical language, the volume outlines the canonical status of Catholics as parishioners - as well as their rights, duties and forms of assembly and the relationship of parishes to other

ecclesial and civil bodies. Ministerial students, clerical and lay ministers, members of parish councils and laypersons generally will find this book an indispensable handbook for living and working within parish communities. Christians of other denominations will make fruitful connections between their own congregational life and Roman Catholic experience."--BOOK JACKET. Made for Mission Tim Glemkowski 2019-09-26 "God has created me to do him some definite service; he has committed some work to me which he has not committed to another. I have my mission." — Blessed John Henry Newman The statistics are heartbreaking. In 2007, 24 percent of Americans identified as Catholic. By 2014, that had dropped to 21 percent. The number of people who claim no religious affiliation has surpassed Catholics and evangelicals, making "nones" the largest religious group in the United States. Catholics are simply walking away from the Church. Yet there are many committed, faithful Catholics who desperately want to stem this tide. We are here, in this moment, and are called to be part of the mission, for the sake of our members, and for those who are still outside the Church. Yet while we long for this renewal, we are often at a loss as to how to accomplish it in a practical way. What steps do we take? How do we start, and how do we continue? How will we measure success — and how long will it take? In *Made for Mission*:

*Renewing Your Parish Culture*, author and speaker Tim Glemkowski offers four keys that can radically change parish culture: Cast the vision Prioritize a clear path to discipleship Mobilize leaders Align everything Implementing these four keys over time, parishes can become not simply gathering places for worship but seedbeds of discipleship and missionary outposts of the New Evangelization. This book is a must-read for Catholic clergy, lay parish staff, anyone working in ministry, and any dedicated parishioner who is passionate about renewing the Church. **Great Catholic Parishes** William E. Simon Jr. 2016-09-23 What is really happening in the Catholic Church in North America? Are parishes thriving or dying? Is dissatisfaction among Catholics growing or are they becoming more engaged in the evangelizing mission of the Church? Businessman, professor, and philanthropist, William E. Simon Jr. has been highly influenced by the dynamic and inspiring Catholic parishes he has attended for more than 25 years. In 2012, he founded Parish Catalyst, an organization devoted to researching and supporting the health and development of Catholic parishes. Great Catholic Parishes looks at Simon's insights and the success stories of 244 vibrant parishes to show what makes them great. In 2012 and 2013, Simon and his team studied 244 Catholic parishes to determine what made them exceptional. The study found that all of the parishes shared four foundational practices that led to a profound sense of belonging within their parish communities and a deepening commitment to discipleship: Share leadership by using clergy and lay staff with the best talents and skills to direct the community Foster spiritual maturity and plan for discipleship by offering a variety of formation programs and ministry opportunities to reach parishioners at differing points in their lives Excel on Sundays by dedicating significant time, energy, and money to liturgical celebrations that parishioners and visitors find welcoming Intentionally evangelize by challenging insiders to look outward and providing service programs, social events, global mission opportunities, and pastoral care at key sacramental moments that focus on inviting outsiders to deeper relationship with Christ and the Church. In Great Catholic Parishes, Simon shares personal stories such as finding a welcoming parish home and what he learned about evangelizing from a mission trip to Kenya. Pastors from exceptional parishes offer helpful ideas, strategic advice, and practical strategies, as well as anecdotes about lay ministry development initiatives and reworking religious education so that it is family focused and web-based. You will

also learn creative solutions to familiar challenges such as spiritual stagnation among parishioners, reconciling diverse needs in the parish, allowing the pastor to focus on pastoring and preaching, and reaching youth and young adults who leave the Church in disproportionate numbers. Each chapter closes with either crucial takeaways or a summary of practical challenges that will help pastors and leaders focus on growth and excellence."

**Keep Your Kids Catholic** Marc Cardaronella 2016-05-20 Many Catholic parents are tempted to leave the religious education and spiritual formation of their children up to their parish or Catholic school. Professional catechist, popular blogger, and father of two, Marc Cardaronella has a passionate plea for those parents: be your child's primary educator in the faith by what you do and say. This practical guide gives parents what they need to be a bigger partner in handing on the faith to their children by creating a faith-nurturing environment at home. When Marc Cardaronella started his job as a catechist, he could empathize with parents who came to him to talk about how their now-grown children had left the Church because he had been there: Despite years of religious education and regular Mass attendance, Cardaronella never really practiced his faith. He fell away from the Church right after his Confirmation and stayed away for twenty years. Now it's his mission to equip families like yours to hand on your faith. His passionate message is that the kind of faith formation children need is not taught in standard religious education classes and probably never will be. Cardaronella is on a quest to help you fill the gaps by first strengthening your own faith—opening your heart to God, practicing trust, clearing away obstacles to God's grace, and creating regular prayer and study routines at home. He gives you the tools to pass that faith on to your kids and make it stick by teaching you how to pray with your children consistently, about adoration of the Blessed Sacrament, the power of the Examen prayer, and how to motivate your kids to be engaged in parish life and Christian outreach. *Keep Your Kids Catholic* offers equal shares of inspiration, challenge, and practical advice. Each chapter includes Reflect, Pray, and Live sections to help you integrate Cardaronella's message into family life.

*Tools for Rebuilding* Michael White 2013-11-25 Fr. Michael White and Tom Corcoran know that the fundamental work of the Church is to evangelize—to introduce people to Christ and make them disciples. Still, they're the first to admit: "the difficulty comes when we reach down into the details and get to work." In their barn-burning first book, *Rebuilt*, White and Corcoran shared their story and vision of building better Catholic parishes. Now, in their eagerly anticipated second book, *Tools for Rebuilding*, they lay out seventy-five proven tactics for getting the job done. In *Tools for Rebuilding: 75 Really, Really Practical Ways to Make Your Parish Better*, White and Corcoran share seventy-five foundational tactics that helped to rejuvenate their parish. **Transforming Parish Communications** Scot Landry 2014-08-15 "Are we still a Church capable of warming hearts? A Church capable of leading people back to Jerusalem? Of bringing them home?" - Pope Francis, Meeting with the Bishops of Brazil, 28 July 2013. Pope Francis, like his predecessors Benedict XVI and John Paul II, is calling for Catholics to embrace the new evangelization. But there has been ongoing confusion about who is responsible, what it really means and what it looks like in practical application. How can we respond to the Holy Father's call, creating evangelization opportunities that help bring people back to the Church? By transforming Catholics into digital missionaries - ready and able to take the joy and warmth of the Gospel online via social media to infrequent, inactive, or ex-Catholics around the corner or across the globe. Consider this: 1. Nearly every "lost" Catholic in the U.S. is most

likely connected with at least one engaged Catholic - or is one "retweet" or "like" away from them 2. On the whole, Catholics have not been taught to see social media as a way to live out their faith 3. Motivating parishes to put a priority on evangelization has been a challenge 4. Catholics are more likely to be comfortable as digital missionaries than to participate in other forms of evangelization 5. Parishes can offer "digital missionary training" to parishioners - who would welcome it! In *Transforming Parish Communications: Growing the Church Through New Media*, you'll discover: How to embrace the Church's vision of evangelization in new media How entire parishes can become hubs of digital evangelization - and how to overcome obstacles Specific strategies for implementation How to create a consistent digital identity online Best practices for parish websites The nuts and bolts of Facebook, Twitter, email, blogging and more Consider this book your entry into an important - and urgent - call to each of us as Catholics. To bring the warmth of the Gospel to the "lost" and bring them back to the Church. Visit the companion site for more [ParishGuideToNewMedia.com](http://ParishGuideToNewMedia.com)

*ChurchMoney* Michael White 2019-09-13 The Pew Research Center recently reported that 26 percent of Catholics are giving less because of the sex abuse crisis and reports of misconduct against priests and bishops. That makes the already difficult task of raising money for churches and bishop's appeals much more challenging. Rev. Michael White and Tom Corcoran—award-winning authors of the *Rebuilt Parish* series—know from twenty years leading Church of the Nativity in Timonium, Maryland, that it's no fun working in a parish struggling to pay the bills. Without money, you can't hire staff to provide the programs you want to offer. You constantly have to beg parishioners to give. You grow frustrated and angry when they fail to respond. Does this sound familiar? In *ChurchMoney*, White and Corcoran will help you learn the basic skills you need to discover that true success in raising funds comes from the incredibly freeing approach that connects giving to discipleship. The two share their stories of success and failure. They tell us what they learned to meet the real financial challenges of their mission. They offer the practical wisdom and inspiration you need to tackle the thorny matter of

raising money in your Catholic parish. White and Corcoran share the lessons, facts, habits, and great ideas they've implemented from some of the most successful and vibrant churches in the United States. *ChurchMoney* offers a proven plan for raising money in parishes. It's readily adaptable, firmly rooted in the reality of leading a Catholic parish, based on the Bible, and finessed with the best advice of communication professionals. You will read stories of embarrassing failure and exhilarating success in tripling a budget and running three extraordinarily successful capital campaigns over a ten-year period including their most recent campaign leading to the construction of \$16 million sanctuary built debt free. They have increased staff fourfold and significantly raised salaries and increased staff benefits while expanding mission outreach both locally and internationally.

Seriously, God? Michael White 2021 "The authors of this book encourage open conversations about the genuine doubts, confusion, and seemingly contradictory assertions about the nature of God that often arise out of intense human suffering. **Rebuilding Youth Ministry** Christopher Wesley 2015-03-06 Christopher Wesley is on the front lines of youth ministry. He's been in the parish trenches, refocusing an unpopular youth program and making it one where teens feel connected, stay involved, and grow in faith. In *Rebuilding Youth Ministry*, Wesley offers ten indispensable strategies to help you make your youth programs just as successful. Wesley coaches fellow Catholic ministry leaders on how to overcome common hurdles of ministering to young people. Wesley shares how he faced feelings of complacency, underestimated youth, and entertained rather than ministered in his own parish. Wesley built a distinctive program based on small group faith formation and sustained it with the assistance of more than sixty volunteer adult mentors. Wesley lays out ten strategies that helped grow participation in his high school program from nine teens to ninety and the middle school program from forty teens to eighty-five, including: Making your youth program about more than pizza; Pursuing authentic relationships between small groups and mentors; Shaping a dynamic youth ministry team; and Creating a space that's welcoming to teens.

**The Rebuilt Field Guide** Michael White 2016-10-10 You know your Catholic parish needs to change its focus, but you're not sure where or how to begin. In *The Rebuilt Field Guide*, award-winning authors Rev. Michael White and Tom Corcoran walk you through ten essential steps for getting started with your church's reawakening. After publishing their groundbreaking book *Rebuilt* in 2013 about the rebirth of the Church of the Nativity in Timonium, Maryland, Fr. Michael White and Tom Corcoran were inundated with requests for help from other Catholic parishes about where to start. Subsequent books in the *Rebuilt Parish* series—*Tools for Rebuilding*, *Rebuilding Youth Ministry*, and *Rebuilding Your Message*—offer

additional means to reach the end goal of making church matter and growing disciples by challenging the faithful and reaching the lost with the life-changing message of Jesus Christ. In the newest book in the *Rebuilt Parish* series, White and Corcoran lead you and your leadership team through assessment and goal-setting exercises and provide meeting templates that include prayer, scripture reflection, storytelling, and "rally cries" that become reminders of the change the team is striving toward. This workbook offers practical steps that will help your team set change in motion with tools including: A checklist that helps identify the real problems facing your parish and seven questions to help you prioritize them A seven-part exercise to help you decide which parish activities do not support your disciple-making mission and then make a plan to stop doing them A simple, focused demographic assessment to help you identify your own "Timonium Tim" A discussion and planning guide for moving toward great liturgical music Seven conversation starters to help your team set a course for dealing with the conflict that inevitably comes with change The exercises are adapted from those used at Church of the Nativity and correlate to the chapters of *Rebuilt*. The book will show you how to stop everything you are doing, rethink your purpose, and focus your attention on discipleship and evangelization.

*Growing an Engaged Church* Albert L. Winseman 2007-03-28 *Growing an Engaged Church* offers unique, research-based, often counterintuitive solutions to the challenges facing churches today, including declining congregant participation, decreasing contributions, and slumping membership. Ministers, priests, and church boards will find the evidence and answers in this book provocative, eye-opening, and, most importantly, actionable. What if members of your congregation . . . • were 13 times more likely to have invited someone to participate in your

church in the past month? • were three times as satisfied with their lives? • spent more than two hours per week serving and helping others in their community? • tripled their giving to your church? What would your church — your parish — look like? And how would you go about creating this kind of change? One thing is certain: Church leaders are never going to inspire more people to be actively and passionately involved in their congregations by doing the same things over and over again. Pastors and lay leaders need something fresh. Something new. The last thing they need is “just another program” or to set up a laundry list of new activities for members. Based on solid research by The Gallup Organization, Growing an Engaged Church will appeal to both Protestant and Catholic clergy and lay leaders who are looking for a way to be the Church instead of just “doing church.”

**Rebuilt** Michael White 2013 When their parish reached a breaking point, Fr. Michael White and lay associate Tom Corcoran asked themselves how they could make the Church matter to Catholics, and they realized the answer was at the heart of the Gospel. Their faithful response not only tripled their weekend mass attendance, but also yielded increased giving, flourishing ministries, and a vibrant, solidly Catholic spiritual revival.

**Our Hearts Were Burning Within Us** Catholic Church. National Conference of Catholic Bishops 1999 In this statement, the bishops present a pastoral plan to help Catholics advance in their role as disciples, by awakening a renewal in the ministry of adult faith formation and helping all to grow to the full maturity of Christ.

The Social Mission of the U.S. Catholic Church Charles E. Curran 2010-12-20 How does the Church function in the world? What is it called to do, and what does it actually do? Charles E. Curran explores the social mission of the U.S. Catholic Church from a theological perspective, analyzing and assessing four aspects: the importance of social mission, who carries it out, how it is carried out, and the roles that the Church and individual Catholics play in supporting these efforts. In the early and mid-twentieth century the Catholic Church in the United States tended to focus its social mission on its own charities, hospitals, and schools. But the Second Vatican Council called the Church to a new understanding of

social mission, deepening its involvement in and commitment to civic, social, and political life in the United States and abroad. Curran devotes particular attention to three issues that have reflected the Church's strong sense of social mission since that time: abortion, war and peace, and labor. The Social Mission of the U.S. Catholic Church describes the proper role of bishops, institutions, and movements in the Church, but insists that the primary role belongs to all the baptized members of the Church as they live out the social mission in their daily lives.

**Rebuilt** Michael White 2012-02-28 Drawing on the wisdom gleaned from thriving mega-churches and innovative business leaders while anchoring their vision in the Eucharistic center of Catholic faith, Fr. Michael White and lay associate Tom Corcoran present the compelling and inspiring story to how they brought their parish back to life. Rebuilt: Awakening the Faithful, Reaching the Lost, and Making Church Matter is a story of stopping everything and changing focus. When their parish reached a breaking point, White and Corcoran asked themselves how they could make the Church matter to Catholics, and they realized the answer was at the heart of the Gospel. Their faithful response not only tripled their weekend mass attendance, but also yielded increased giving, flourishing ministries, and a vibrant, solidly Catholic spiritual revival. White and Corcoran invite all Catholic leaders to share the vision, borrow their strategies, and rebuild their own parishes. They offer a wealth of guidance for anyone with the courage to hear them.

**The Perfect Joy of St. Francis** Felix Timmermans 1998 In this classic, Felix Timmermans reveals a deep understanding and penetrating interpretation of the man Francis and the ideals that enabled him to move and to shake the whole world. Missions Andy Johnson 2017-08-15 Every local church should be engaged with global missions, even if most individuals in the church aren't called to go overseas. *The Making of the English Working Class* E. P. Thompson 2016-03-15 A history of the common people and the Industrial Revolution: “A true masterpiece” and one of the Modern Library’s 100 Best Nonfiction Books of the twentieth century (Tribune). During the formative years of the Industrial Revolution, English workers and artisans claimed a place in society that would shape the following centuries. But the capitalist elite did not form the working class—the workers shaped their own creations, developing a shared identity in the process. Despite their lack of power and the indignity forced upon them by the upper classes, the working class emerged as England’s greatest cultural and political force. Crucial to contemporary trends in all aspects of society, at the turn of the nineteenth century, these workers united into the class that we recognize all across the Western world today. E. P. Thompson’s magnum opus, *The Making of the English Working Class* defined early twentieth-century English social and economic history, leading many to consider him Britain’s greatest postwar historian. Its publication in 1963 was highly controversial in academia, but the work has become a seminal text on the history of the working class. It remains incredibly relevant to the social and economic issues of current times, with the Guardian saying upon the book’s fiftieth anniversary that it “continues to delight and inspire new readers.”

Over the next decade he built fifty-five schools—especially for girls—that offer a balanced education in one of the most isolated and dangerous regions on earth. As it chronicles Mortenson’s quest, which has brought him into conflict with both enraged Islamists and uncomprehending Americans, *Three Cups of Tea* combines adventure with a celebration of the humanitarian spirit.

*Lead with Humility* Jeffrey Krames 2014-09-09 In the years since his election to the highest position in the Catholic Church, Pope Francis has breathed life into an aging institution, reinvigorated a global base, and created real hope for the future. His early accomplishments have been so remarkable that in 2014, *Fortune* magazine awarded the top spot of their coveted World’s Greatest Leaders list not to a captain of industry or political leader but to the new pontiff. But how did a relatively unknown priest from Argentina rise so quickly from obscurity to one of the top leaders of the twenty-first century? The answer lies in his humility, as well

as the simple principles that have sprung from it. Lead with Humility explores 12 of these principles and shows how other leaders and managers across a broad spectrum can adapt them for the workplace with just as impressive results as our great pope has. These invaluable principles include: • Don't stand over your employees--sit down with them• Don't judge--assess• Take care of people, not lobbies• Go where you are needed• Temper ideology with pragmatism• Don't change--

reinvent! • And more Even just a few years in, it is clear to all that Pope Francis's ability to inspire the world is unprecedented in modern times. Lead with Humility reveals the power of his methods, and helps anyone lead with the humility, grace, and authenticity that has elevated the pope to where he is today and had a direct impact in inspiring everyone and everything around him.
