*The Aeronaut's Windlass* Jim Butcher 2016 Since time immemorial, the Spires have sheltered humanity, towering for miles over the mist-shrouded surface of the world. Within their halls, aristocratic houses have ruled for generations, developing scientific marvels, fostering trade alliances, and building fleets of airships to keep the peace. Captain Grimm commands the merchant ship, Predator. Fiercely loyal to Spire Albion, he has taken their side in the cold war with Spire Aurora, disrupting the enemy's shipping lines by attacking their cargo vessels. But when the Predator is severely damaged in combat, leaving captain and crew grounded, Grimm is offered a proposition from the Spirearch of Albion -- to join a team of agents on a vital mission in exchange for fully restoring Predator to its fighting glory. Humanity's ancient enemy, silent for more than ten thousand years, has begun to stir once more. And death will follow in its

wake.

Strange activities begin to plague the town, and as the seasons change, it's clear that something is terribly wrong. The creatures are real, and they're offering to fulfill the residents' deepest desires, however grand, for just a small favor. These seemingly trifling demands, however, hide sinister intentions. Soon Ellerie finds herself in a race against time to stop Amity Falls, her family, and the boy she loves from going up in flames.

Jim Butcher's Dresden Files Jim Butcher 2014-12-09 A war is raging between the vampire forces of the Red Court and the White Council - a war that the wizards are losing. So desperate are the Council that they've dragooned the experienced and the

outcast to reinforce their thinning ranks of Wardens. One of these draftees is one Harry Dresden, Chicago's only wizard-for-hire and a guy who's long been looked upon with suspicion by the supernatural authorities. Now, he's one of them, and his first big mission as a Warden is a doozy: take a small team of greenhorns to a frigid town in the middle of nowhere to rescue a handful of mortals who've been targeted by the Red Court. The question is, why exactly are these particular mortals so crucial to the outcome of the war? The answer will come only if Harry can keep them, and his team, alive for one very long night. This graphic novel collects the critically acclaimed, five-issue series in one volume, and features a bonus section with Jim Butcher's original story outline, sketchbook artwork from Carlos Gomez, cover gallery with roughs from Stjepan Sejic, and more! Creator Commentary from Jim Butcher: "The greatest frustration about writing the Dresden Files is all the stories I come up with that are too small or too straightforward to write into a novel. One of the great pleasures I've had as a writer is getting the opportunity to tell some of those stories in a short-story format, and in graphic novels like this one! War Cry is one of the stories I always wanted to tell but never got the chance to in the context of the novels, and I'm extremely pleased with how well it's coming out."

Battle Ground Jim Butcher 2020 THINGS ARE ABOUT TO GET SERIOUS FOR HARRY DRESDEN, CHICAGO'S ONLY PROFESSIONAL WIZARD, in the next entry in the #1 New York Times bestselling Dresden Files. Harry has faced terrible odds before. He has a long history of fighting enemies above his weight class. The Red Court of vampires. The fallen angels of the Order of the Blackened Denarius. The Outsiders. But this time it's different. A being more powerful and dangerous on an order of magnitude beyond what the world has seen in a millennium is coming. And she's bringing an army. The Last Titan has declared war on the city of Chicago, and has come to

subjugate humanity, obliterating any who stand in her way. Harry's mission is simple but impossible: Save the city by killing a Titan. And the attempt will change Harry's life, Chicago, and the mortal world forever. Empire of Silence Christopher Ruocchio 2018-07-03 Hadrian Marlowe, a man revered as a hero and despised as a murderer, chronicles his tale in the galaxy-spanning debut of the Sun Eater series, merging the best of space opera and epic fantasy. It was not his war. The galaxy remembers him as a hero: the man who burned every last alien Cielcin from the sky. They remember him as a monster: the devil who destroyed a sun, casually annihilating four billion human lives—even the Emperor himself—against Imperial orders. But Hadrian was not a hero. He was not a monster. He was not even a soldier. On the wrong planet, at the right time, for the best reasons, Hadrian Marlowe starts down a path that can only end in fire. He flees his father and a future as a torturer only to be left stranded on a strange, backwater world. Forced to fight as a gladiator and navigate the intrigues of a foreign planetary court, Hadrian must fight a war he did not start, for an Empire he does not love, against an enemy he will never understand.

Dresden Files, Chicago's only professional wizard takes on a case for a vampire and becomes the prime suspect in a series of ghastly murders. Harry Dresden has had worse assignments than going undercover on the set of an adult film. Like fleeing a burning building full of enraged demon-monkeys, for instance. Or going toe-to-leaf with a walking plant monster. Still, there's something more troubling than usual about his newest case. The film's producer believes he's the target of a sinister curse—but it's the women around him who are dying, in increasingly spectacular ways. Harry's doubly frustrated because he only got involved with this bizarre mystery as a favor to Thomas—his flirtatious, self-absorbed vampire acquaintance of dubious integrity. Thomas has a personal stake in the case Harry can't quite figure out, until his investigation leads him straight to the vampire's oversexed, bite-happy family. Now, Harry's about to discover that Thomas' family tree has been hiding a shocking secret: a revelation that will change Harry's life forever.
