**Global Business Citizenship: A
Transformative Framework for Ethics
and Sustainable Capitalism** Donna J.
Wood 2015-01-28 This practical and
engaging book provides a coherent
approach to global business
responsibility and ethics based on
the latest research, theory, and

practice. The authors incorporate
numerous interesting and current real
world examples to support the
argument that corporations need to -
and can - identify and implement
processes that foster ethical
conduct, ensure basic human rights,
protect the natural environment, and
enhance social justice wherever
businesses operate around the globe.
"Global Business Citizenship"
combines elements of political
theory, stakeholder relationships,
business ethics, corporate social
performance, accountability and
measurement, and organizational
change. Its practical approach
encompasses "best practices" in
stakeholder management, experiments
in applying corporate values to local
conditions, and social environmental
auditing and reporting. Focusing on

the strategic alignment and change management process for implementing business citizenship principles and practices, it is an essential supplement for any course concerned with ethics and social responsibility in today's global business climate.

Muncie 4-Speed Transmissions Paul Cangialosi 2014-10-15 The Muncie 4-speeds, M20, M21, and M22 are some of the most popular manual transmissions ever made and continue to be incredibly popular. The Muncie was the top high-performance manual transmission GM offered in its muscle cars of the 60s and early 70s. It was

installed in the Camaro, Chevelle, Buick GS, Pontiac GT0, Olds Cutlass, and many other classic cars. Many owners want to retain the original transmission in their classic cars to maintain its value. Transmission expert and veteran author Paul Cangialosi has created an indispensable reference to Muncie 4-speeds that guides you through each crucial stage of the rebuild process. Comprehensive ID information is provided, so you can positively identify the cases, shafts, and related parts. It discusses available models, parts options, and gearbox cases. Most important, it shows how to completely disassemble the gearbox, identify wear and damage, select the best parts, and complete the rebuild. It also explains how to choose the ideal gear ratio for a

particular application. Various high-performance and racing setups are also shown, including essential modifications, gun drilling the shafts, cutting down the gears to remove weight, and achieving race-specific clearances. Muncie 4-speeds need rebuilding after many miles of service and extreme use. In addition, when a muscle car owner builds a high-performance engine that far exceeds stock horsepower, a stronger high-performance transmission must be built to accommodate this torque and horsepower increase. No other book goes into this much detail on the identification of the Muncie 4-speed, available parts, selection of gear ratios, and the rebuild process.

Lemon-Aid: New Cars and Minivans

Louis-Philippe Edmonston 2006-12

Launched 35 years ago, the 2007 edition of the New Cars and Minivans has been restyled to present more current information in a user-friendly manner. This guide tells you when to buy, sell, or hold onto a vehicle and why price rarely guarantees reliability (beware of 'luxury lemons'). Hard-nosed ratings, true fuel-consumption figures, and which safety features are unsafe, are all found in this year_s guide, as well as: Dealer markups for each model; cutting the freight fee The best and worst options; whose warranty is the best Which 2006s are butter buys than a 2007 Sample compliant letters that work

Lemon-Aid Used Cars and Trucks
2010-2011 Phil Edmonston 2010-05-11
"The automotive maven and former
Member of Parliament might be the
most trusted man in Canada, an
inverse relationship to the people he
writes about." – The Globe and Mail
Lemon-Aid shows car and truck buyers
how to pick the cheapest and most
reliable vehicles from the past 30
years of auto production. This brand-

new edition of the bestselling guide
contains updated information on
secret service bulletins that can
save you money. Phil describes sales
and service scams, lists which
vehicles are factory goofs, and sets
out the prices you should pay. As
Canada's automotive "Dr. Phil" for
over 40 years, Edmonston pulls no
punches. His Lemon-Aid is more potent
and provocative than ever.
