Gin and Tonic and Cucumber

Rafaële Germain 2009 At
thirty-two, Marine Vandale is
still waiting for true love.

The kind of love that takes
your breath away, knocks
you on the ground, and
makes you scared and crazy
all at once. "You're certainly
not going to find it if you
spend all your time with
three guys," her mother
likes to remind her. It's just
that Marine, her ex Laurent,
Jeff her roommate, and their
best friend Julien are
inseparable. Together,
they're trying to navigate
the troubled waters of their
thirties, become real adults
and tame love. But what
used to seem like child's
play is becoming less and
less of a game, and today's
mistakes are not as
meaningless as the ones

they made in their twenties.
But each one in his or her
own way continues to hope.
And from date to date, from
man to man, through a
thousand situations she
describes as "summer stock
theatre," Marine persists in
believing that one day she'll
prove to her mother that
you can't fight love.

And, if you're inclined to perfect your bike's handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for optimum performance. The book even provides detailed troubleshooting guides for dirt, street, and supermoto--promising a solution to virtually any handling problem.
