Emergency Response Guidebook U.S. Department of Transportation 2013-06-03 Does the identification number 60 indicate a toxic substance or a flammable solid, in the molten state at an elevated temperature? Does the identification number 1035 indicate ethane or butane? What is the difference between natural gas transmission pipelines and natural gas distribution pipelines? If you came upon an overturned truck on the highway that was leaking, would you be able to identify if it was hazardous and know what steps to take? Questions like these and more are answered in the Emergency Response Guidebook. Learn how to identify symbols for and vehicles carrying toxic, flammable, explosive, radioactive, or otherwise harmful substances and how to respond once

an incident involving those substances has been identified. Always be prepared in situations that are unfamiliar and dangerous and know how to rectify them. Keeping this guide around at all times will ensure that, if you were to come upon a transportation situation involving hazardous substances or dangerous goods, you will be able to help keep others and yourself out of danger. With color-coded pages for quick and easy reference, this is the official manual used by first responders in the United States and Canada for transportation incidents involving dangerous goods or hazardous materials.

National Geographic North America United States Northeast National Geographic Maps - Adventure 2017-04-25 - Waterproof - Tear-Resistant - Travel Map There are few nations as vast and spectacularly diverse as the United States of America. From the Atlantic to the Pacific, "America the Beautiful" offers boundless destinations and experiences for travelers seeking outdoor adventures, small town delights, or the excitement of urban culture. The United States Northeast Adventure Map will guide you through the states of the Mid Atlantic region (Virginia, West Virginia, Maryland, Delaware and Pennsylvania, New York and New Jersey) and New England (Connecticut, Rhode Island, Massachusetts, Vermont, New Hampshire, and Maine). Each of these states is rich in history and nature and has its own distinct character, from the dramatic rocky shoreline of Maine's Acadia National Park and the beaches and dunes of Cape Cod Massachusetts, through the Adirondack Mountains of New York, the White and Green Mountains of New Hampshire and Vermont, and the rolling Allegheny and Pocono Mountains of Pennsylvania. The diverse megalopolis of Washington DC, Philadelphia, New York City, and Boston that covers the Atlantic coastal plain is interspersed with historic seaports and beautiful parks, beaches, marshes, and bays including Chesapeake and Delaware Bays. The inland cities of Pittsburgh, Syracuse and Albany are also included on this map. There is simply no better map for exploring the Northeast United States. National Geographic's US Adventure Maps provide the most authoritative and convenient travel maps available to plan and guide your USA Adventure. Each map delivers the perfect combination of detail and perspective, highlighting travel routes, topography, and points of interest for those venturing

beyond the city centers. Whether you're on a classic American road trip or planning a grand tour to visit several cities or national parks, these maps offer the ultimate geographic resource as only National Geographic can provide. Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough -- capable of withstanding the rigors of international travel. Map Scale = 1:1,300,000 Sheet Size = 25.5" x 37.75" Folded Size = 4.25" x 9.25"

Honey... Honey... Lion! Jan Brett 2005-08-25 The African plains provide a

stunning environment for Jan Brett's latest animal adventure. For as long as anyone can remember, the honeyguide bird and the African honey badger have been partners when it comes to honey: Honeyguide finds the honeycomb, Badger breaks it open, and they share the sweetness inside. But this day, Badger keeps all the honey for himself. Foolish Badger! In no time, Honeyguide leads Badger on a fast chase. Badger thinks it's for honey; but Honeyguide has a surprise waiting for her greedy friend. As they swim across a pond, push through a thicket of reeds, leap over a huge anthill, a menagerie of exotic animals passes the news along in a kind of animal Bush Telegraph. Finally Badger faces a lift-the-flap page, revealing the twist that teaches Badger a lesson. Can you guess who's under that flap? Honey . . . Honey . . . Lion! will surely become a family favorite for readers of all ages.
